### **January Meeting Minutes**

- Motion to approve minutes brought by Nancy. Bruce seconds. January minutes approved.

### **Recap of BFC Meeting**

- Overall, Benefits Committee report at BFC went well. The BFC asked many great questions. Still waiting on benefits information that will inform changes in 2025.
- Christan sent an email out with details about the employee clinic and additional information will be sent out weekly/bi-weekly closer to the projected opening of the Marathon Clinic.

### **Updates on Employee Health Clinic**

- Ages 12+ will be provided patient care and mental health services for children aged 6-12 is available with a parent present and 13 and older without a parent.
- Information about the employee clinic will also be shared at Bloomington Staff Council, IU Indianapolis Staff Council, and IU Indianapolis Faculty Council.
- Christan is putting together a few groups to see the clinic before opening.
- A nationwide announcement was made that Marathon is merging with their competitor, Everside. This should result in additional coverage. Everside and Marathon have similar models with shared providers. Additionally, Marathon is based in Indianapolis, which made it an attractive choice. Services will begin with one clinic in Bloomington with possibility to expand if demand surges.
