

BFC CREM Committee
October 12, 2023 by Zoom

MINUTES

Attending: Alex Tanford, Sena Durguner, Judah Cohen, Lana Spendl

1. Reviewed where we ended last meeting.
2. Agreed on revised policy that eliminates a standing CREM Committee in favor of an ad-hoc Review Committee created when (and if) needed and populated with members from affected constituencies.
3. Tanford will circulate proposed final version and we will try to work out remaining language issues by email.
4. We are aiming for sending it to the Provost by October 26 so we can incorporate his feedback and have a final proposal for BFC Executive Committee in time to take it to the BFC Nov. 14 for a first reading and discussion.
