

## Educational Policies Committee

Minutes for January 12, 2018

1. The fifth meeting of the Educational Policies Committee (EPC) of the Bloomington Faculty Council (BFC) in the 2017/2018 Academic Year was convened on January 12 at 9 am in Bryan Hall 004. The committee members were joined by Lisa Scully from the Office of the Registrar.
2. The committee continued discussions about a prospective policy for *academic renewal* and considered the specific components of such a policy in terms of determining eligibility requirements (e.g., timing, academic standing, exceptions) and implementation. A major concern was to ensure that students could not cherry-pick the courses covered under the program, and the impact on the different calculations of a student's GPA.
3. The committee continued discussion of the how the BFC oversight of GenEd could be better orchestrated, and the chair proposed engaging in discussions with the BFC Executive Committee to explore their preferences for committees or subcommittees.
4. The meeting adjourned at 10:18 am.
