1. Approved minutes from February meeting
2. Discussion and voting on Academic Standing Policy for Undergraduate Students -submitted on behalf of the Undergraduate Academic Council, Andrea, Brian, Vasti

Andrea and Vasti shared the document and went over the sections to clarify and get any additional feedback. Memo raised concern about the terms “watch” and “alert” not conveying to students and parents an appropriate level of urgency. Vasti reiterated that there was extensive discussion and took Memo’s suggestion for a color-coded flow chart to be included in supplemental documents. Siering asked for further clarification regarding the sequence of semesters on which a dismissal may be based. Andrea and Vasti explained that units have latitude to determine specifics. Magill asked for clarification about students who leave University Division but return and being placed again with a University Division advisor. Vasti clarified.

There was a motion to adopt and the following vote was unanimous in favor.

3. Update on BFC vote re: Maximizing Classroom Usage and Updating the Bloomington Calendar Principles Policy (ACA-H21) Andrea
