Please also see Circular B35-2019 for a list of BFC members who are eligible for re-election, members continuing in their service, and members ineligible for re-election.

If you have two or three academic homes, you will find your name listed with only one of those units for the purpose of this document. If you wish to change your listing, please contact the Faculty Council Office; we shall move your name to your preferred academic voting unit and these changes will take effect in the next election cycle.

The faculty elected as a result of this year’s electoral process will begin serving a two-year term at the close of Spring Semester. During Spring Semester, the newly constituted Council (composed of the newly-elected faculty and the half of this year’s Council whose term continues through next year) will choose its officers, will form its committees, and will be empowered following the close of our last Council meeting in April.

The election process is defined by the *Constitution of the Bloomington Faculty of Indiana University* and the *Bylaws of the Bloomington Faculty Council*.

If you have any questions or concerns, please relay them to the Faculty Council Office at bfcoff@indiana.edu.
