Creation of policy BL-ACA-D17

Policy on Faculty Participation in Campus-Level Budget Decisions on Financial Difficulties

The Bloomington Faculty Council created a policy that provides a stand-alone, updated version of what was originally § VIII from BL-ACA-D16. It defines, in general terms, the role of faculty in campus-level budgetary decision-making in response to various levels of financial difficulties that the campus might face, the gravest of which would be a situation of financial exigency.

- Adopted April 5, 2022

Revisions to BL-ACA-D16

Creation, Reorganization, Elimination, and Merger of Academic Units and Programs

BL-ACA-D16 refers to the Bloomington faculty's role in matters pertaining to the creation, reorganization, merger, and elimination of programs and units on the Bloomington campus, as well as the procedures which govern their implementation. The Bloomington Faculty Council revised this policy extracting the component of Faculty participation in campus level budget decisions on financial difficulties and making it its own policy ([BL-ACA-D19](#)).

- Adopted April 5, 2022

Recommendation to redefine Statewide Transfer General Education Core (STGEC) requirements at Indiana University – Bloomington

The Bloomington Faculty Council endorsed a proposal to update the IU Bloomington requirements for the Indiana College Core (formerly known as the Indiana Statewide Transfer General Education Core, or STGEC). The revision makes ICC requirements more consistent with the statewide expectations and preserves the most distinctive features of the IUB General Education requirements—Mathematical Modeling and World Languages and Cultures—for all Bloomington undergraduate students.

- Adopted April 12, 2022
