

RETIRED FACULTY ELIGIBLE TO VOTE AND STAND FOR ELECTION TO INDIANA UNIVERSITY BLOOMINGTON FACULTY COUNCIL

2025 – 2026

This circular shows all emeriti eligible to vote in the election of members of the Bloomington Faculty Council. Please also see Circular B25-2025 for a list of current BFC members who are eligible for reelection, members continuing in their service, and members ineligible for reelection.

KEY:

Black	Not a member of the BFC, eligible for election
Green	Current member of BFC, eligible for reelection
Red	Current member of BFC, serving out the rest of current term, or former member of BFC who has served two or more current terms

Two ballots will be used for the general election: a nomination/self-nomination ballot and a final ballot. Faculty participation is critical in both the nominating process and the final election. This document has been prepared to help you participate in the nominating/self-nominating process.

Faculty elected this year will begin serving two-year terms at the close of the spring semester. At the end of the spring semester, the 2025-2026 Council (composed of newly elected faculty and the portion of this year's Council whose terms continue through next year) will choose its officers, elect its elected committees, and become empowered at the close of the last Council meeting in April.

If you have two or three academic homes, you will find your name listed with only one of those units for the purpose of this document. If you wish to change your listing, please contact the Faculty Council Office, and we will move your name to your preferred academic voting unit and these changes will take effect next election cycle.

The election process is defined by the [Constitution of the Bloomington Faculty of Indiana University](#) and the [Bylaws of the Bloomington Faculty Council](#).

If you have questions or concerns, please contact the Faculty Council Office at bfcoff@iu.edu.
